2-Pack Philips Micro SDHC – 32GB Class 10 UHS-I U1 with adapter

Philips Micro SDHC Class 10 UHS-I U1 memory cards are extremely suitable for applications that require a high writing speed, such as (Full) HD video recording. They read files up to 80MB/s.

The cards can be used in mobile phones, tablet PC's and all other devices that are equipped with Micro SDHC/ XC card slots. The supplied Micro SD adapter allows you to use Micro SDHC/ XC cards in any device that accepts traditional sized SDHC/ XC cards.

UHS-I U1 & Video class V10

UHS-I U1 combined with Video class V10 offers the right specifications for real-time high-quality video recording without buffering.

32GB Storage capacity

The blister packaging contains two 32GB Micro SDHC cards. 32GB offers enough capacity to store at least 9.100 of your favorite photo's or record 320 minutes of Full HD video*).

A1 Support

Supports A1 Fast App performance, allowing users to run apps directly from their memory card.
