Philips Micro SDXC – 256GB Class 10 UHS-I U3 with adapter

Philips Micro SDXC Class 10 UHS-I U3 memory cards are extremely suitable for applications that require a high writing speed, such as 4K UHD video recording. They read files up to 100MB/s.

The cards can be used in mobile phones, tablet PC's and all other devices that are equipped with Micro SDXC card slots. The supplied Micro SD adapter allows you to use Micro SDHC/ XC cards in any device that accepts traditional sized SDHC/ XC cards.

UHS-I U3 & Video class V30

UHS-I U3 combined with Video class V30 offers the right specifications for 4K UHD video recording without buffering.

256GB Storage capacity

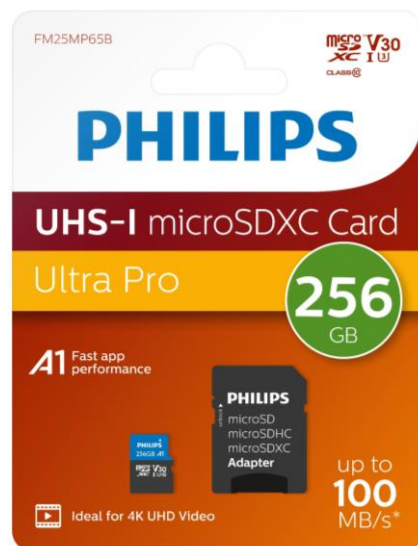

Offers enough capacity to store at least 72.000 of your favorite photo's, or record 12 hours of 4K UHD video*).

A1 Support

Supports A1 Fast App performance, allowing users to run apps faster directly from their memory card.
