## USB 2.0 16GB

Philips Snow USB Flash Drives are a reliable and stylish medium for storing and sharing all your favorite files. Their compact design allows you to carry them with you everywhere you go.

### 16GB Storage capacity

16GB offers enough capacity to store at least 4.500 of your favorite photos or 2.800 MP3 music files\*).

### Easy to use

The cap protects the USB connector and can be attached at the back of the flash drive, so you will never lose it.

### LED indicator

A handy LED indicator shows you the drive is properly connected and working. It flashes when copying files to or from its memory.
