Philips Snow

USB 2.0 8GB

Philips Snow USB Flash Drives are a reliable and stylish medium for storing and sharing all your favorite files. Their compact design allows you to carry them with you everywhere you go.

8GB Storage capacity

8GB offers enough capacity to store at least 2.200 of your favorite photos or 1.400 MP3 music files*).

Easy to use

The cap protects the USB connector and can be attached at the back of the flash drive, so you will never lose it.

LED indicator

A handy LED indicator shows you the drive is properly connected and working. It flashes when copying files to or from its memory.
